Bug Report: #BR_01

|	
Bug Title	When the user selects "All Days" from the "Partial Days" dropdown menu, the "All Duration" options are incorrectly displayed in the dropdown menu.
URL	https://opensource-demo.orangehrmlive.com/web/index.php/leave/applyLeave
Date	27.11.24
Bug Description	When the user selects "All Days" from the "Partial Days" dropdown menu, the "All Duration" options are incorrectly displayed in the dropdown menu.
Screenshots	
Platform	Windows 11
Browser	Chrome v. 96
Priority	High
Severity	Low

Steps to Reproduce:

1. Navigate to the page with the **Partial Days** dropdown menu.

2. Click on the **Partial Days** dropdown menu.

3. Select the **"All Days"** option from the menu.

4. Observe the options displayed in the dropdown menu.

Expected Result:
The dropdown menu should only display valid options for **"All Days"**, and the **"All Duration"** options should not appear.

Actual Result:
Previous dates are available for selection in the **"From Date"** field, leading to incorrect date selections.

Bug Report: #BR_02

Bug Title	Previous dates are available when I Select From Date
URL	https://opensource-demo.orangehrmlive.com/web/index.php/leave/applyLeave
Date	27.11.24
Bug Description	When the user selects **"All Days"** from the **"Partial Days"** dropdown menu, the **"All Duration"** options are incorrectly enabled and displayed in the dropdown. These options should be disabled and not selectable when **"All Days"** is chosen.
Screenshots	
Platform	Windows 11
Browser	Chrome v. 96
Priority	High
Severity	Low

Steps to Reproduce:

1. Navigate to the page with the **Partial Days** dropdown menu.

2. Click on the **Partial Days** dropdown menu.

3. Select the **"All Days"** option from the menu.

4. Observe the options displayed in the dropdown menu.

Expected Result:
The dropdown menu should only display valid options for **"All Days"**, and the **"All Duration"** options should not appear.

Actual Result:
The **"All Duration"** options are incorrectly enabled and displayed in the dropdown menu when **"All Days"** is selected from the **"Partial Days"** dropdown menu.

Bug Report: #BR_03

Bug Title	Previous dates are available when I Select To Date
URL	https://opensource-demo.orangehrmlive.com/web/index.php/leave/applyLeave
Date	27.11.24
Bug Description	When selecting the **"To Date"** in the date picker, previous dates (past dates) are incorrectly enabled and selectable. These dates should be **disabled** to prevent selecting dates earlier than the **"From Date"** or invalid ranges.
Screenshots	
Platform	Windows 11
Browser	Chrome v. 96
Priority	High
Severity	Low

Steps to Reproduce:

1. Navigate to the page with the **"To Date"** field.

2. Select a valid date in the **"From Date"** field.

3. Open the date picker for the **"To Date"** field.

4. Observe the enabled dates in the calendar.

Expected Result:
Dates earlier than the selected **"From Date"** should be **disabled** in the **"To Date"** field's date picker. Only dates equal to or after the **"From Date"** should be selectable.

Actual Result:
Previous dates (earlier than the **"From Date"**) are incorrectly enabled and selectable in the **"To Date"** field.
